Product Specification - Clip-Over Accessories

Rear Grip Tabs	Secure the accessory in 1mm gap between flat surface and D-Line length, as made possible by depth of rear foam-tape
ABS material	Robust material
Can be painted	Scuff using gentle abrasive such as fine sandpaper, so paint keys for best results
Easy-to-install	Clip-Over style can forgive poor cuts at length ends, and imprecise measuring

Clip-Over Accessories - for ½-round 20x10mm, 30x15mm, 50x25mm profiles & 22x22mm ¼-round only

Design forgives rough or oblique cuts, and imprecise measuring.

Product Specification - Smooth-Fit Accessories

Internal shoulders	Enables smooth appearance along installation Creates secure fitment - will not drop off Enable smooth flush alignment between lengths for perfect finish
ABS material	Robust material Can be modified for fitment on uneven surfaces
Can be painted	Scuff using gentle abrasive such as fine sandpaper, so paint keys for best results

Smooth-Fit Accessories - for ½-round 16x8mm profiles

Internal shoulders fit securely under lengths. Note D-Line couplers & end caps are smooth-fit.
