AFTER THE SUCCESS OF MG3 THE STORY CONTINUES

MG3 made history with industrial tags - it was a **revolution!**

With MG4, CEMBRE offers innovative solutions in order to improve the **quality of work** of its users by exploiting the **technology and experience** in industrial marking gained from 20 years within this business sector.

In addition to the MG4E printer, the CEMBRE system includes the GENIUSPRO software, the new GENIUSPRO MOBILE APP, a vast catalogue of consumables for thousands of applications and an unparalleled **assistance and support** service.

FULLY DESIGNED AND MADE IN EUROPE

TOP PRECISION AND PRINT QUALITY

THE MARKINGENIUS®MG4 is CEMBRE's newest solution for identification & labelling requirements, designed to offer a high quality and long-lasting print for text, logos, electrical symbols, QR codes and all kinds of vector images.

Equipped with a ribbon save system, a useful function that allows you to consume only the ribbon needed for printing.

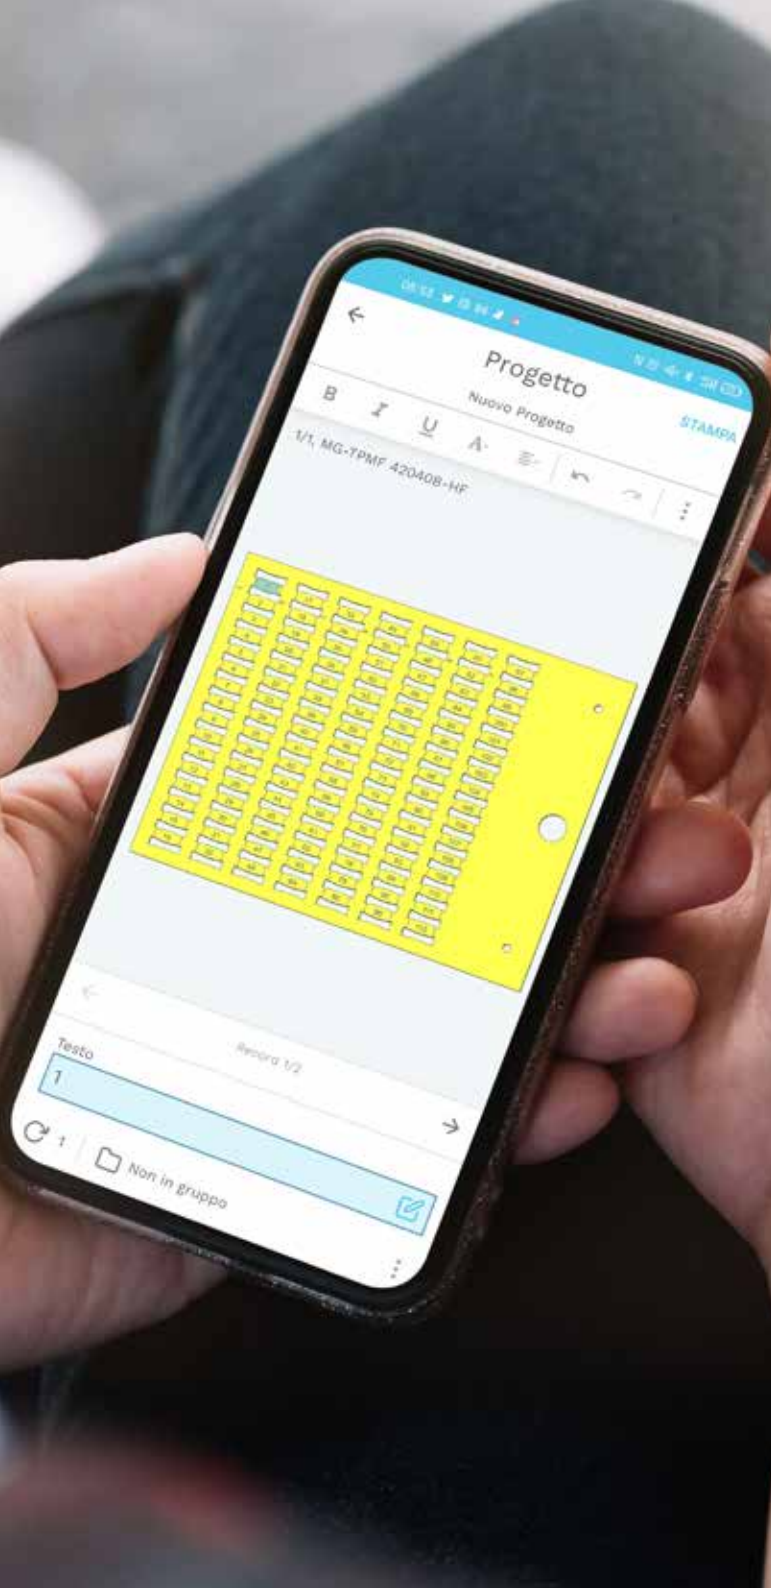

ROBUSTNESS AND RELIABILITY ALWAYS WITH YOU! Its reliability and robustness mean that the MG4 can be used intensively, making it suitable for all kinds of applications.

The large on-board touch screen enables quick and easy management of print projects.

ALWAYS CONNECTED!

Today everything is connected, even MG4.

APP Geniuspro Mobile

The printer has many functions that facilitate connectivity and remote data exchange.

- **connected to the network** via USB, LAN and even Wi-Fi
- **connected to mobile and fixed** devices in the absence of a network via Wi-Fi direct: you can carry out the project in the office and send it to your mobile phone via messaging systems

FLEXIBLE MANAGEMENT OF WORK

With MG4, projects can be set up and created from a PC with the GENIUSPRO software for managing production orders or, if necessary, via the **GENIUSPRO Mobile App** developed by CEMBRE for IOS and Android devices (smartphones and tablets) for the latest changes on site on the electrical panel or on board the machine.

ONE BATTERY, MANY TOOLS

MG4E can be used with both a mains power supply and with CEMBRE **CAS Alliance** rechargeable batteries. The printer **can be used in the office, in production and also on site**, right in front of the panel to be wired.

The interchangeable battery, which can power both MG4E and all CEMBRE tools, allows full portability of the printer.

The offer is completed by purchase of a soft bag or rigid trolley for safe transport of the printer.
