

## PF Solvent Cable Cleaning & Degreasing Wipes Re-Usable Tub

**SKU: PF-SOLVENT-RE-USABLE-TUB-ONLY**

### Features & Benefits

- Heavy-duty & re-usable
- Screw on lid with rubber seal (better than tubs that have a simple push-fit lid)
- Rubber-sealed, spring-loaded flap around the central wipe extraction point
- Wipes remain moist for a longer period of time
- Environmentally friendly

### SKU: PF-SOLVENT-RE-USABLE-TUB-ONLY

Our PF Solvent Cable Cleaning and Degreasing Wipes are supplied in pouches which are ideally used in conjunction with this Re-usable tub.

There are two key characteristics of this heavy-duty reusable tub that set it apart from a standard tub: a screw-on lid with a rubber seal and a rubber-sealed, spring-loaded flap around the central wipe extraction point. These features work together to keep the wipes moist for a longer period of time and reduce the need for rehydrating them with a separate PF solvent fluid.

### Buying Options

For convenience we offer three buying options:

- Pouch of 200 wipes (Ready to be placed into our re-usable tub) (SKU: PF-SOLVENT-15233-WIPES-200PCS)
- Re-usable Tub - (by itself – does not come with wipes) with a rubber seal designed to keep your wipes moist and protected. (SKU: PF-SOLVENT-RE-USABLE-TUB-ONLY)
- Kit which includes: 1 x pouch of 200 wipes and 1 x Re-usable tub. (SKU: PF-SOLVENT-15233-WIPES-200PCS+TUB)
