

**D-Line Socket Enclosures (aka Cable Tidy Units) provide the most popular solution to contain extension sockets and cable spaghetti.**

The smart tech design blends with modern surroundings. 3x rear cable entry/exit slots enable cables to be routed to left-side, right-side or vertical.

Fully safety tested, and produced from electrically-safe robust ABS material with an effective click-lock lid, these Socket Enclosures sort unsightly cables and contribute to a positive Health & Safety culture.

- Tidy, route & sort unsightly cable clutter
- Make surfaces easier to clean
- Make socket blocks less accessible
- Prevent feet snagging cables under desks - save entanglements and costly disconnections
- Produced using electrically-safe ABS material

<b>ABS base &amp; lid</b>	Robust material Fire rated – flammability class UL94.94HB
<b>Max ambient temperature</b>	60°C
<b>3x cable entry/exit points</b>	Enables cables to be routed left, right and above Provides heat dispersion
<b>Click-Lock lid</b>	Flat for use to stand ancillary items 4 points of retention Effective in-situ, but can be removed and re-closed as required
<b>Capacity</b>	If using 240v cables leave 45% of internal capacity for air circulation
<b>Dimensions</b>	(L) 415mm x (W) 165mm x (H) 135mm - Large (L) 325mm x (W) 125mm x (H) 115mm - Small
<b>Weight</b>	Shrink-wrapped - 0.66kg Each    Packed in box 0.84kg - Large Shrink-wrapped - 0.44kg Each    Packed in box 0.56kg - Small
<b>Quality approvals</b>	Fully safety tested and certified to BS EN 60670-22:2006
<b>Available colours</b>	Black or White
<b>UV stabilised</b>	Will not discolour in sunlight
<b>Packaging</b>	Usually supplied shrink-wrapped
<b>Recyclability</b>	Yes
