- ◆ Wide side supports with both sides adjustable miter angle and scale.
- ◆ Foldable and convenient for transportation.

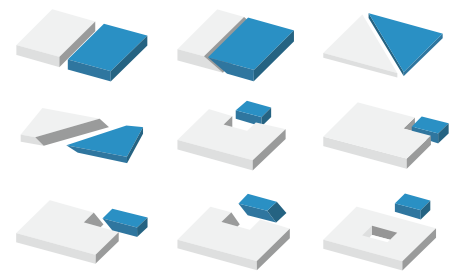

### Technical Data

Model No.	COLD-CUT-INSULATION-CUTTER
Max. Cutting Angle in X-axis Direction	45°
Max. Cutting Angle in Y-axis Direction	45°
Max.Cutting Height	650 mm
Max. Thickness	270 mm
Vibration Frequency	1500 times/ min
Motor	18V DC Brushless
Battery	DC 18 V/ 2.0 Ah
Battery Charger	100-240 V AC / 50-60 Hz
Machine Size	1030*730*185 mm
N.W.	17.5 Kgs

### Basic Kit

- 1 Insulation Material Wire Cutter
- 2 Battery & Charger
- 3 Wire Saw
- 4 Carry Case
