

CHA2 with fir tree, Article number: 150-09010

- Easy to install without the need for a tool
- Horizontal length tolerance compensation
- Ideal if holes do not fit registration or bundles need to be routed around corners

An easy means of routing and securing cable sets in various parts of cars.

Base Data

Colour	Black (BK)
Fixation Method	Fir Tree
Global Part Name	CHA2-PA66-BK
Manufacturer Type	CHA2 PA66 BK 500

Material and Specifications

Flammability	UL94 V2
Material	Polyamide 6.6 (PA66)
Operating Temperature	-40 °C to + 85 °C (+105°C, 500h)

Logistics and Packaging

ETIM 5.0	EC000449
ETIM 6.0	EC000449

Product Dimensions

For Hole (FH)	6.5 - 7.0mm
For Panel Thickness min - max	0.8 - 2mm
Height (H)	7.7mm
Height (H2)	8.0mm
Hole	7.0mm
Hole (FH) min	6.5mm
Length (L)	54.0mm
Length of tape / bun- dling bar	54.0mm
Width (W)	6.0
