Standard Colours and Colour Codes

Clear - X

Features and Benefits:

- High gloss crystal clear appearance with glass smooth interior to reduce sediment build-up
- 100% Flexible PVC
- Unreinforced PVC Tubing
- Silicone and Cadmium free
- Good UV resistance
- Lightweight & Flexible
- Suitable for food use

Applications:

- Automotive
- Food Industry
- Engineering
- Medical
- Dairy
- Fish / Aquarium
- Chemical delivery
- Instrumentation
- Pneumatic hose sleeving
- Sight glasses
- Laboratory use
- Drain tubes
- Delivering food & beverages.

Technical Information:

- Temperatures: -20°C to +55°C. Occasional use up to +65°C. Cold bend temperature -45°C
- Smooth bore that ensure an excellent flow rate of the contents.
- Full visibility of the flow of contents
- Excellent chemical, corrosion and abrasion resistance
- Good UV resistance
- Wide range of operating temperature
- Self extinguishing
- Raw material is silicone and heavy metal free
- Raw material conforms fully to RoHS & Directives.
