

PVC Loom Tape - 19mm Black Non Adhesive

Features & Benefits

- Versatile
- Non-Sticky
- Economical & Efficient
- UV & Weather Resistant
- Wide Temperature Range

Specifications

- Colour: Black
- Material: PVC
- Length: 40 Mtrs
- Width: 19mm
- Thickness: 0.13mm
- Tensile Strength: 15N/10mm
- Dielectric Strength: 40kV/mm
- Temperature Rating: -20°C to +80°C

Black - 0

Product Information

Black PVC non adhesive tape is the the perfect choice for Bundling, Wrapping and Protecting. This non-adhesive tape is perfect to create looms that require non sticky tape providing ample length for multiple uses, making it a cost-effective addition to your toolkit.

UV and weather resistant it is made to withstand a range of weather conditions and fend off the damaging effects of UV rays. It also provides resistance against corrosion, moisture and abrasion thanks to its sturdy PVC composition making it durable and robust

- Robust & Durable
- Economical & Efficient
- Hassle-free application
- Provides ample length for multiple uses

Applications

- Wire Bundling
- Electrical Insulation
- Cable Management
- Protection to wiring Harnesses
- Provides strain relief for delicate electronic components
- Marking and identifying different cables for quick setup
